19 Sec. 23. Section 60-4,118, Revised Statutes Cumulative
20 Supplement, 2006, is amended to read:

21 60-4,118 (1) No operator's license shall be granted
22 to any applicant until such applicant ~~satisfies the examiner~~
23 demonstrates that he or she possesses sufficient powers of eyesight
24 to enable him or her to obtain a Class O license and to operate
25 a motor vehicle on the highways of this state with a reasonable

1 degree of safety. The ~~Department of Motor Vehicles,~~ department,
2 with the advice of the Health Advisory Board, shall adopt and
3 promulgate rules and regulations:

4 (a) Requiring a minimum acuity level of vision. Such
5 level may be obtained through the use of standard eyeglasses,
6 contact lenses, or bioptic or telescopic lenses which are specially
7 constructed vision correction devices which include a lens system
8 attached to or used in conjunction with a carrier lens; and

9 (b) Requiring a minimum field of vision. Such field of

22 been met. If the vision reading demonstrates that the applicant is
23 required to use bioptic or telescopic lenses to operate a motor
24 vehicle, the statement from the optometrist or ophthalmologist
25 shall also indicate when the applicant needs to be reexamined

1 for purposes of meeting the vision requirements for an operator's
2 license as prescribed by the department. If such time period is two
3 years or more after the date of the application, the license shall
4 be valid for two years. If such time period is less than two years,
5 the license shall be valid for such time period.

7 that he or she has any other physical impairment which may affect
8 the safety of operation by such applicant of a motor vehicle, the
9 ~~examiner shall require~~ the applicant ~~to~~ shall show cause why such
10 license should be granted and, through such personal examination
11 and demonstration as may be prescribed by the director with the
12 advice of the Health Advisory Board, ~~to~~ and show the necessary

16 board, or designee is then satisfied that such applicant has the
17 ability to safely operate a motor vehicle, an operator's license
18 may be issued to the applicant subject, at the discretion of the
19 director, to a limitation to operate only such motor vehicles at
20 such time, for such purpose, and within such area as the license

2 Health Advisory Board and may give notice to the person to appear
3 before ~~an examiner,~~ department personnel, the board, or a designee
4 of the director for examination concerning the person's ability
5 to operate a motor vehicle safely. Any such request by a law
6 enforcement officer shall be accompanied by written justification
7 for such request and shall be approved by a supervisory law
8 enforcement officer, police chief, or county sheriff.

9 (b) A refusal to appear before ~~an examiner,~~ department
10 personnel, the board, or a designee of the director for an
11 examination after notice to do so shall be unlawful and shall
12 result in the immediate cancellation of the person's operator's
13 license by the director.

14 (c) If the person cannot qualify at the examination, by
15 ~~an examiner,~~ his or her operator's license shall be immediately
16 surrendered to ~~the examiner~~ department personnel and forwarded to

24 person shall immediately surrender his or her operator's license to
25 the director who shall cancel the person's operator's license.

1 (e) Refusal to surrender an operator's license on demand
2 shall be unlawful, and any person failing to surrender his or her
